Due to the cancellation of in person, live CLE approved courses, because of restrictions imposed by the Governor’s COVID-19 response, the Supreme Court of the State of Delaware Commission on Continuing Legal Education has waived the requirement that at least 12 of the 24 CLE credit hours must be earned by attending in person live CLE approved courses. The requirement is waived for the two year periods ending December 31, 2020 and December 31, 2021. All 24 CLE credit hours for those two-year periods may be satisfied by approved courses that do not require an in-person, live appearance.

Pennsylvania credit is not available for any video CLEs offered as a live webinar video. The Supreme Court of the State of Delaware Commission on Continuing Legal Education also cannot accept phone conferencing only. You must attend through a device that allows us to obtain your Bar Id in order to receive CLE credit.

Your attendance will be automatically monitored beginning at the scheduled start time and will be completed when the CLE has ended. If you enter or leave the meeting after or before the scheduled start/end time, you will receive credit only for the time you attended. Your CLE credits will be submitted to the Delaware Commission on CLE, as usual.
The Disproportionate Rate of the Effects of COVID-19 on Minorities and Their Ability to Work from Home

WEDNESDAY, MAY 27, 2020 | 2:00 P.M. – 3:45 P.M.
Break: 2:45 p.m.– 3:00 p.m.
1.5 hours Delaware CLE Credits

ABOUT THE PROGRAM
The effects of COVID-19 on the health of racial and ethnic minority groups is still emerging; however, current data suggest a disproportionate burden of illness and death among racial and ethnic minority groups. The conditions in which people live, learn, work, and play contribute to their health. These conditions, over time, lead to different levels of health risks, needs, and outcomes among some people in certain racial and ethnic minority groups. This CLE will explore the disproportionate rate of the effects of COVID-19 on the ability of minorities to work from home, with an emphasis on the considerations pertaining to health, civil rights, and community access to services.
