Due to the cancellation of in-person, live CLE approved courses, because of restrictions imposed by the Governor’s COVID-19 response, the Supreme Court of the State of Delaware Commission on Continuing Legal Education has waived the requirement that at least 12 of the 24 CLE credit hours must be earned by attending in person live CLE approved courses. The requirement is waived for the two year periods ending December 31, 2020 and December 31, 2021. All 24 CLE credit hours for those two-year periods may be satisfied by approved courses that do not require an in-person, live appearance.

Pennsylvania credit is not available for any video CLEs offered as a live webinar video.

Your attendance will be automatically monitored beginning at the scheduled start time and will be completed when the CLE has ended. If you enter or leave the meeting after or before the scheduled start/end time, you will receive credit only for the time you attended. Your CLE credits will be submitted to the Delaware Commission on CLE, as usual.
